Using the Tennessee Electronic Library for Research

- 1. Google "Tennessee Electronic Library" or type the URL into your browser: https://www.tntel.info/
- 2. Click on the "homework help" button.

3. You will find a list of various databases available to research. You can select one of these databases to search. Or, you might enter your key search terms into the search box and click "Find Database." The "Research in Context" database is a good one to begin with.

All Resources	
Find the perfect research tool for your questions. For a more specific list of resources, use the filters.	
Search	Resource Category Format Vendor Homework Help - Any - T Find a Database Raset
